MEMORANDUM FOR THE PRESIDENT

FROM: Shalanda D. Young  
Director

SUBJECT: Designation of Funding as an Emergency Requirement

The Congress designated as an emergency requirement all funding in divisions A, B, and C of the act making emergency supplemental appropriations for the fiscal year ending September 30, 2024, and for other purposes, (H.R. 815; the “Act”). Section 406 of division A, section 510 of division B, and section 405 of division C of the Act provides that the availability of funding that is designated by the Congress as an emergency requirement pursuant to section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) is contingent upon the President subsequently so designating all such amounts and transmitting such designations to the Congress. These requirements are as a result of the passage of the Fiscal Responsibility Act of 2023, which reinstated discretionary spending caps.

The Act provides a net total of \$95.3 billion in fiscal year (FY) 2024 emergency funding to certain Federal agencies to respond to the situation in, and for assistance to Israel, Ukraine, and the Indo-Pacific.

I recommend that you designate as emergency requirements all funding so designated by the Congress in the Act pursuant to section 251(b)(2)(A) of BBEDCA, as outlined in the enclosed list of accounts. Upon transmittal of these designations to the Congress, these funds will be immediately available for obligation and expenditure. No further congressional action will be required.

The designation of these funds as emergency requirements allows for adjustments to the discretionary spending limits in FY 2024, as specified in section 251(b)(2)(A) of BBEDCA. These adjustments will be reflected when the Office of Management and Budget submits its sequestration update report for FY 2025 in accordance with section 254(e) of BBEDCA.

I have reviewed this proposed action and am satisfied it is necessary at this time. Therefore, I recommend that you make the requested funds available by signing the enclosed message to the Congress.

Enclosure

EXECUTIVE OFFICE OF THE PRESIDENT  
OFFICE OF MANAGEMENT AND BUDGET
